### **School Description**

#### **Principal's Message**

Tipton Elementary School District is the main hub of the community. The school is a safe, caring place for students. The grounds and buildings reflect the pride of ownership of both the students and staff. Technology has been an emphasis for several years — two fully equipped computer labs, 6 iPads in each K-2 classroom, and in all 3rd through 8th grade classrooms we have implemented a 1 to 1 Chromebook initiative. Our teachers each have a laptop and printer setup in their classrooms.

Tipton Elementary School's staff has always been committed to providing each student with learning opportunities. Students are held to high expectations and the staff work toward providing an instructional program that is aligned to the California State Standards in English language arts and mathematics. Each teacher is fully credentialed and each possesses the training and certification to work with second-language students.

Tipton Elementary School's philosophy of education is to provide a continuation of essential learning. It is our ultimate goal to provide each student with basic facts and experiences. These will aid our youth in becoming self-sufficient individuals mentally, physically, socially, and morally so that they can meet the demands of a rapidly changing society. It is essential to instill in each student the importance of individual worth and to create a positive self-image through personal development in initiative, resourcefulness, and responsibility.

Tipton Elementary School is a Title I school in year five of Program Improvement. Students and staff have made steady progress this year in addressing the needs of students. The staff has continued to emphasize teaching the standards that will enable students to make adequate progress on the CAASPP assessment.

#### **Vision Statement**

Tipton Elementary's vision is to provide quality instruction that integrates character development and academic achievement for all students.

#### **Mission Statement**

At Tipton Elementary, we are developing a culture of high expectations, academic excellence, and self-efficacy. Character education is of vital importance to the process. We want our students to have the knowledge, skills, and morality to lead our society into the future. It is our responsibility to guide them through this process.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)**

The Tipton Elementary School District has purchased Standards-aligned textbooks and instructional materials in the core curriculum areas of reading/language arts, math, science, history/ social science, health, and science laboratory equipment. The District can verify each student has access to his or her own copy of Standards-aligned textbooks and instructional materials for use in the classroom and at home.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Tipton Elementary School was originally built in 1874. The current school site was built in 1959. In November of 2014 the community of Tipton approved a general obligation bond for site modernization, health, safety, and energy efficiency improvements, modernization of outdated classrooms, restrooms, and school facilities, and construction of a multipurpose room for school and community use. Construction of the multipurpose room is projected to begin in winter of 2016.

The remainder of the 19.2-acre campus is well maintained. The school's athletic facilities include a track, soccer fields, and basketball courts that are open to the public after school hours. Every building on campus is alarmed for security after school hours.

Covert cameras are in place to film all movements during and after school hours. The only gate that remains open during the school day is the front gate, leading to the office.

The District takes pride in the cleanliness and adequacy of the school grounds, building, and restroom, including any maintenance needed to ensure quick and prompt repairs. The overall emphasis of the District is to maintain appropriate facilities for our students.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)

	15-16	16-17	15-16	16-17	15-16	16-17
<b>ELA</b>	33	35	33	35	48	48
<b>Math</b>	27	26	27	26	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
<b>Science</b>	47	51	47	51	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
<b>5</b>	23.7	26.3	11.8
<b>7</b>	15	23.3	8.3

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	123	121	98.4	51.2
Male	63	61	96.8	45.9
Female	60	60	100.0	56.7
Hispanic or Latino	114	112	98.3	50.9
Socioeconomically Disadvantaged	104	103	99.0	47.6
English Learners	51	51	100.0	25.5

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven				
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	366	359	98.09	34.54
Male	190	183	96.32	30.05
Female	176	176	100	39.2

Students with Disabilities	20	20	100	10
Students Receiving Migrant Education Services	13	12	92.31	50
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics**  
**Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Students with Disabilities	21	21	100	4.76
Students Receiving Migrant Education Services	13	12	92.31	33.33
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2017-18)

All families are encouraged to become informed and actively involved. We invite everyone to attend and participate in our School Site Council, English Learner Advisory Committee, PSO, Back-to-School Night, Kindergarten Orientations, Open House, informational meetings, and student performances throughout the year. We encourage parents to volunteer in classrooms, the library, or chaperone field trips.

The Parent Staff Organization (PSO) operates during the school year to provide help and support for various programs at the school. The school Fall Festival is the main fundraiser for the PSO. Funds earned this school year are used to help with class parties, field trips, and other co-curricular activities.

For more information on how to become involved at the school, please contact Principal Stacey Bettencourt at (559) 752-4213.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Our School Safety Plan is in the process of being revised and updated. The team consists of the superintendent, principal, supervisor of maintenance, operations and transportation, and other staff members and parents.

The Safety Plan will provide explicit directions for every emergency situation that could occur on campus. Parents interested in obtaining a complete copy of the plan may request one from the Principal. The School Safety Plan was most recently updated and presented to the staff in January 2015.

### Suspensions and Expulsions

School	2014-15	2015-16	2016-17

6	18	22	17	21		10		21	4			

\* Number of classes indicates how many classes fall into each size category (a range of total students per class).

### Professional Development provided for Teachers

Based on the analysis of CAASPP data as well as local assessments the district has implemented the research based Developmental Reading Assessment (DRA) as well as a guided reading program intended to differentiate instruction and meet the needs of each individual student, especially our EL population. The district has implemented the Teacher's College Writing Workshop units of study, which is a standards based writing program that allows teachers and instructional aides to work on the individual needs of each child. Professional Development is delivered by consultants during our early release days, by attending workshops, or during the regular school day by providing substitutes for classroom teachers. The district is implementing a data driven tiered reading as well as language intervention program to target struggling English learners, and accelerate their learning to meet grade level expectations. Teachers are supported through follow up meetings with administration to discuss the implementation as well as student data that is generated through the assessment process.

#### Types of Services Funded

- Provide highly qualified highly trained staff in all TK-8 classrooms with a teacher to pupil ratio of less than or equal to 24:1. Small class sizes allow our teachers to build quality relationships with our students and to develop a deeper understanding of their individual needs.
- Provide reading intervention support for students who are performing below grade level with the purpose of accelerating student learning and closing the achievement gap. Our intervention approach is data driven and employs flexible groupings based on student need. Our local data has demonstrated strong growth for our students who participate in this intervention.
- Provide our students with access to a variety of technology in order to develop 21st century knowledge and skills.
- Provide our students with access to computer based programs that will individualize instruction in order to accelerate their learning.
- Provide all students with access to rich reading material and other media for both instructional and recreational purposes with the goal of engaging students in powerful reading experiences.
- Provide summer school in order to accelerate the learning of our students who are performing below grade level.
- Provide access to enrichment programs and electives focused around Science, Technology, Engineering, Arts, and Mathematics. In order to create a collegial school culture of inclusivity the TESD has committed to improving school attendance, reducing suspensions and expulsions, as well as increasing parent participation and voice in local decision making. In order to achieve these goals we will provide the following direct services to our students and school community:
  - Provide a health aide to assist with student health issues and family outreach.
  - Provide school sponsored parent events, meetings, and workshops in order to increase participation in school decision making

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
